

Report on Gun Murders

Paolo Luzzini

2020-05-06

Introduction

This is a report on 2010 gun murder rates obtained from FBI reports. The original data was obtained from this Wikipedia page.

\int_0^1 We are going to use the following library:

```
library(tidyverse)
```

and load the data we already wrangled:

```
load("rdas/murders.rda")
```

Murder rate by state

We note the large state to state variability by generating a barplot showing the murder rate by state:
